## The Eastern National

---

The Eastern National Livestock Show, fourth largest livestock event in the nation, actually had its beginnings 34 years ago. In 1928, a handful of forward-thinking citizens, most of them cattle raisers or meat packers, organized the Baltimore Livestock Show and held their first exhibition at the Baltimore Union Stock Yards.

In the first year, nearly 2,000 head of livestock were shown and later auctioned off for \$247,000. A new world's record of 50 cents a pound for the grand champion load of fat cattle was achieved in that year . . . **It has been exceeded many times since then.**

The Baltimore Livestock Show continued at the Baltimore Union Stock Yards through 1946. The next step was taken in 1947.

Limited because of the facilities at the stockyards, the show group decided to make a move to the more spacious Maryland State Fair Grounds, where the huge barns, judging pavilions, restaurant facilities, sale rings and grazing fields offered the finest facilities to exhibitors. The name also was changed to the Eastern National . . . indicative of the show's expansion to something more than a local or area exposition.

Throughout the years, the objective of the show has been quality. This emphasis has apparently proved successful because the Eastern National has become the largest and finest livestock show in the East. Paralleled with this advance has been the rise in Baltimore's position in the livestock shipping and meatpacking industry to eighteenth in the nation and second in Maryland industry.

Then, too, the Eastern National also stresses the importance of young livestock breeders. Such emphasis has resulted in the show becoming the culmination of all 4-H and FFA livestock endeavors in Maryland and many adjoining states.

Over 300 4-H/F.F.A. members will be exhibiting 500 head of beef, sheep and swine projects at this year's show.

The Eastern National contributes to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of animals. It is one of the twelve regional shows of the country as recognized by the various Breed associations, and is the only regional show located in the East.

The Eastern National is supported almost entirely by memberships . . . by breeders, cattle feeders, the meatpacking industry, marketing agencies, businesses, and interested organizations.

# How to Cut Your Protein Cost

If you're presently using one of the oil meals to make your mix, here's good news. You can give your cattle top nutrition while you cut your protein cost up to \$2.00 per tone of finished feed. Just use Pro-Blend 50 or Super-Blend 65 to make your mix, in place of the oil meals. These Southern States Supplements supply more protein (50% and 65%) than the commonly-used soybean oil meal or cottonseed oil meal. So you can use more low-cost grains, less supplement, and pocket the savings. You also get extras not supplied in the oil meals . . . added vitamins, minerals, molasses and salt.

## **William F. Schluderberg Memorial Classes For Novices**

(Open to Maryland 4-H Club or F.F.A. members exhibiting for the first or second time at The Eastern National Livestock Show, Inc.)

We are pleased to announce the continuation of the William F. Schluderberg Memorial Classes for Novices at the Eastern National Livestock Show as a memorial to the late William F. Schluderberg who was President of our company and Vice President of the Eastern National.

Mr. Schluderberg, or "Mr. Will," as he was affectionately known, was a leader in promoting the interests of the Livestock and Agricultural Industries and was always very enthusiastic in his support of 4-H and F.F.A. Club work.

Because we feel that his efforts and support have contributed in a large measure to the growth and development of this project work in this area, this memorial is established to perpetuate his memory and to continue to encourage the 4-H and F.F.A. boys and girls to greater achievement.

### **ANNOUNCEMENT OF THE ESSKAY DINNER**

The Schluderberg-Kurdle Company will entertain members of the 4-H and F.F.A. groups, County Agents, extension officials at the University of Maryland, and the official judges at the Show at a dinner at their plant followed by an entertainment in their Auditorium, Tuesday, November 19, 5:30 P. M.

All winners of the William F. Schluderberg Awards must attend the Esskay Dinner and Program.

Because of the increasingly large number of 4-H and F.F.A. members expected to attend and the limited facilities available, this invitation must necessarily be restricted to the groups mentioned.
